

How YOU can help stop Smart Meters!!!

1. Pray for God's direction on what your part can be to help stop Smart Meters.
2. Get involved and support the citizens' group "**Stop Smart Meters in Oklahoma.**"
(Website under construction) (Future Donations)(Your personal help)
3. Inform yourself concerning the **Safety/Health/Privacy** dangers of Smart Meters.
Some important information you can find on the internet:
 - + "**Smart Meters & EMR: The Health Crisis of Our Time**"
Dr. Dietrich Klinghardt (YouTube)
 - + **Jerry Flynn Smart Meters (YouTube)**
 - + **Barrie Trower Smart Meters (YouTube)**
4. On **January 8, 2013**, a 17 page document was delivered asking to STOP Smart Meters to **ALL** the Oklahoma Legislators, Governor, Lt. Governor, and Corporation Commissioners. On **January 28, 2013**, a 17 page document was delivered asking to STOP Smart Meters to U.S. Senators Inhofe, and Coburn also U.S. Representative Bridenstine. Therefore, the mentioned elected officials already have information concerning the **Safety/Health/Privacy** issues of Smart Meters. (If you would like a copy of the 17 page document call Joe 918-639-3421 to have it emailed.)
5. Call your State House and Senate Legislators, Governor, Lt. Governor and the OK Corporation Commissioners, U.S. Senators Inhofe and Coburn, U.S. Representative Bridenstine and ask if they have had an opportunity to study the Smart Meter information they received and tell them you want Smart Meters stopped because of **safety, health and privacy** issues and replaced with the original **analog meters**. Get their commitment to stopping Smart Meters. (NO OPT-OUT per single household!!!).
6. Watch Jerry Day's YouTubes--teaching about Smart Meters. If you have questions call him at **818-843-3667**. You can buy a new replacement analog meter with papers to send to the power company from Jerry. <http://freedomtaker.com/>
7. If you still have an analog meter on your house put some kind of protection device on it, so PSO cannot remove your analogy meter, **do not** let PSO install a Smart Meter.
8. (EMR) Electromagnetic Radiation communication by Smart Meters has **never been used before or forced** on any population in world history (DON'T LET THIS HAPPEN NOW). (EMR) Smart Meter communication is being used **JUST** in North America.
9. Educate your family and friends about the true facts concerning Smart Meters.

SIMPLY
TAKE A STAND AGAINST SMART METERS!!!!
(and **protect the safety, health, and privacy**
of you, your children and grandchildren)
